

2015 Salary and Job Satisfaction Survey

Remarks:

Summary of Total Remuneration by Industry: a summary of the total salary package by individual industry sector, for each job title.

Total Remuneration – includes base salary, superannuation, car/car allowance and any other benefits, but excludes bonus and commission.

Median – In instances where there are less than 3 data points, only the median has been used.

Calculations

- The data has been presented 1st Quartile, Median and 3rd Quartile, using Microsoft Excel Quartile.exc formula.
- In instances where there are less than 3 data points, only the median has been shown.
